**RIGHT TO LIFE UK** You have likely heard of the new Severe Fetal Impairment Abortion (Amend-  
ment) Bill, which has been launched in Northern Ireland to stop abortion up to birth for babies with  
disabilities including Down's Syndrome, cleft lip and club foot. In response to the announcement of  
this bill, Right To Life UK has launched the Equality Human  
Campaign to help build public support for this important law change. We hope to encourage support-  
ers in Northern Ireland to email their MLAs asking them to speak in support of and vote for the Bill at  
its Second Reading. Right to Life UK has set up an easy-to-use tool that will enable members of the  
public to easily contact their MLAs. This tool can be accessed here and will only take 30 seconds!
