### TRANSFIGURATION

Jesus loved hills and mountains

We read in the gospels how he often went into the hills to pray.

He preached his most famous sermon from a hilltop.

He was transfigured on Mount Tabor,

He died on Mount Calvary.

And he ascended from Mount Olivet.

He was, after a manner of speaking, a mountain man.

Why was this?

Was it because heights cause the spirit to soar?

Down in the valley we often can't see the wood for the trees.

We can't see the pattern of our lives.

But the hilltop restores our vision, and we find our way again.

A problem which down below seems like an elephant,

from up here seems no bigger than an ant.

Lord, we all need the view from the hilltop.

It is indeed good for us.

For then, even though we may have to walk through valleys of darkness,

We will fear no evil,

for we will know that you are with us there too,

To guide us, to give us comfort, and to transfigure our lowly lives.

I embrace you now as if you were already there and I unite myself wholly to you.

Never permit me to be separated from you. AMEN
